GAMES TO TIGERS

Vernon Takes Morning Game
7 to 4 and Wallop Oaks in
Afternoon Affray
8 to 5.

San Francisco, July 30.—There is a line in the summary of the box score which says, "Charge defeat to Crandall," but the real story of the morning game would be told if you substitute Frank Elliott, who had such an off day that one fan implored Umpire Guthrie to "Hold his mask so they won't steal that, too." Vernon won, 7 to 4. The Tigers also took the afternoon game, 8 to 5.

The Vernonites wallowed Speed Martin all over the lot in the afternoon, ending with an 8-to-5 score and the series.

For quite a while during the afternoon display of fireworks, there was a real game under way. Oakland, fighting all the way, couldn't quite manage to catch up, although twice Howard had his club within a run of even. The straw that broke the camel's back was the final seventh inning in which youthful Elwood fell a victim before three doubles and a homer. It was a storming of the trenches that left the Oaks stranded high and dry, and a shock from which they never recovered.

Chicago, July 30.—Chicago mauled two Philadelphia pitchers for another double victory today, 10 to 1 and 7 to 6. Six double plays helped the White Sox slay them. Cicotte and Wolfgang, but they were seldom in trouble. A group of citizens of Harvard, Ill., Pitcher Lannings' home town, gave him a watch, and the White Sox pounded him for nineteen hits in the opening game. Williams was strong until the sixth, when six hits, including a home run by Jackson, sent six men across the plate.

**SENATORS CAPTURE
TEN-INNING TUSSELE**
Cleveland, O., July 30.—Washington won 2 to 1 from Cleveland in ten innings today. McBride led off in the tenth with a pop fly to center. Roth and Smith let fall between them. Johnson, hunted, Coveleskie threw to third, but O'Loughlin called McBride safe. Third Baseman Chapman protested and was put out of the game, the first time during his baseball career. McBride then scored on Shank's sacrifice fly.

A few pop bottles were hurled at O'Loughlin, but none came close. Police protected him after the game. Center Fielder Speaker sprained his left ankle in making a low running catch in the fourth inning and had to be carried from the field.

New York, July 30.—Boston went into first place in the American league standing today, defeating Detroit while New York was losing two

games to St. Louis. Chicago, easily disposing of the Athletics in a double-header, advanced to second position, five points ahead of New York. The pennant race in the American league is proving one of the most exciting in recent years. While the last week brought little change in the standing of the contending teams until Sunday, it saw a marked tightening of the race. New York retained the lead Saturday, with Boston less than ten points behind and Chicago only a few points behind Boston. Cleveland, until recently the league leader, was right behind Chicago. In fact, fewer than 100 points separated New York from St. Louis in seventh place.

Brooklyn still leads in the National league. Boston, Philadelphia and New York follow the Superbas in the order named. Boston and New York played the best ball of the eastern clubs during the week and they gained on Brooklyn and Philadelphia, respectively. The Braves, although having a hard series with Chicago, lessened Brooklyn's lead. The Superbas' pitching has not been very brilliant for a league-leading team, but the deficiency has been more than made up by effective hitting at the right moment.

The intersectional results in the National were: East, eighteen; west, eight.

Los Angeles, Cal., July 30.—Winning one and losing one today, the Angels concluded their stay in Los Angeles, able to carry away but two games in the series of six. The visitors' strong hitting powers won for them the morning affair, 7 to 4. The afternoon engagement resulted 2 to 1 for the home team.

The afternoon game went ten innings and the fans, happy at getting their money's worth both in quantity and quality, shouted their joy until they took the skin off their lungs. It was a pitchers' duel between G. Washington Zabel and Paul Flittery and seemed destined to be kept up until dark, but a little miscalculation precipitated a series of incidents which terminated the affair before it reached the eleventh chapter.

MONTELO TIES
THE S. P. TEAM

The Southern Pacific baseball team of Ogden played a tie game with the Montello, Nev., team yesterday, on the latter's grounds. The score was 5 to 5, in the eleventh inning, and had to be called in order for the Ogden boys to catch a train for home.

A feature of the contest was the pitching of Collins for the Ogden nine. He struck out 13 men to his opponent's four. The batting of Cox and Owens of the same team was also sensational. Next Sunday, the Montello team will come to Ogden to play off the tie.

The batteries of yesterday's contest were: Parnett and Wilson, for Montello; Collins and Woolsey, Ogden.

Shut Out Game of Morning
Followed by Score of 12 to 7
in Seals Favor in After-
noon.

Portland, July 30.—Harry Walverton's Seals won both games of the double bill with the Beavers today and, as the result, the series stands three to two.

The first game was as good as the second one was bad. In fact, 1-to-0 games with the thrills of that first battle are few and far between. The second of the double affair was 12 to 7. Red Oldham kidding the Beavers along with an extra four runs in the ninth.

The Seals were pretty lucky to win the first game, which was broken up by Downs and a spectacular catch by Bodie of Southworth's fly in the ninth.

Until the eighth inning of the first game, Houck held the Seals to but one hit, while Couch allowed the Beavers five. In the eighth Dalton started off with a single to center and Schaller sacrificed. Ward threw Bodie out and that brought Downs. Jeremia doubled and Jack scored. Jones beat out a hit to Rodgers, but Downs was killed on a relay from Guisto to Flaher.

The less said about the second game the better. As early as the first inning the fans were yelling "Take him out!" at Rip Hagerman. It got on Rip's nerves and he proceeded to help run the contest into a two-hour and twenty-five minutes' job, with the aid of Alexander, an ex-busher, who relieved him and walked eight in three innings, five of them in the eighth. In the ninth, with the bases full, Biff Schaller reached out and poled one of Alexander's balls over the right-field fence.

THIRD LINE OF
TRENCHES TAKEN

Tremendous Assault on an
Eight-Mile Front—British
Artillery Most Powerful.

London, July 30.—After an artillery bombardment so terrible that the advanced stations of the German third line were swept away, the British and French this morning smashed forward in a tremendous assault on a front of eight miles. From east of the Deville wood to the Somme the blow was struck and whole systems of

trenches, the work of months, were carried.

Great losses were inflicted on the Germans, who in the afternoon rallied in a series of terrific counter-attacks, according to official dispatches from the scene of conflict. More than 500 prisoners were found in the shattered ditches and dugouts.

The most pronounced gains were made by the British. Men from the homeland and the colonies, Irish and Indians combined in the great thrust. These troops smashed forward beyond the Waterlot farm, Trones wood and the Maltorn farm, formerly mere outposts of the British front, breaking well beyond the frontiers of the German third line and establishing themselves in strong positions.

French Victorious.
On the British right the French, attacking simultaneously on a front from a height northeast of Hardecourt system on a front for a distance, at one point, of three and one-half miles, seized a foothold in Maurepas and conquered a wood and powerfully fortified quarry north of Hem.

Street fighting is now going on in Maurepas, a village stronghold which has withstood until the present all assaults.

Today's victory puts the Franco-British allies in a position to strike a powerful blow at Comblès, the strong German point of support between Bapaume and Peronne. It also marks a further advance of the wedge which is being driven into the Kaiser's front between these two key positions of the 100-mile Noyon salient.

The British are continuing their "biting" tactics on other sections of the front stretching down to the sea. Canadian infantry took a "bite" out of the German trenches south of Ypres during the night, while Irish troops carried out a successful raid in the Loos salient.

Repulse Reported.
Berlin reports the repulse of tentative night attacks by the British in the Pozieres section, while General Haig, in a dispatch tonight, says there was no fighting thereabout during the day.

THE NEED OF SUGAR

Sugar is needed in the upbuilding of both strength and energy of the human body—that is the reason for the insistent demand of appetite that sweets be included in the diet list.

There is no better food than home-canned fruit which satisfies this appetite and at the same time supplies one of the most delightful portions of your repasts. The fruit has 90 per cent available energy when consumed as food and sugar has 98 per cent, more than any of the other usual articles of diet.

Over 200 carloads of peaches will be produced this year in the Brigham district—to secure the maximum of value from them they should, largely, be canned at home by Utah housewives, according to the opinion of domestic science experts. This, together with that shipped from other western states this year, will easily supply the need to secure fruit at such a price that the use of any substitute for home-canned fruit would prove more expensive.

ber of delegates allotted to the district, shall be declared the delegates to the convention from said district. In case of a tie vote, each candidate so tied shall be declared elected and be entitled to the proper fractional vote as such delegate. The judges will forthwith deliver the list of the names and residences of the voters and the ballots to the Secretary of the County Central Committee. The chairman and the secretary of the primary will thereupon issue in duplicate credentials for those elected as delegates from that district, one to be delivered to one of the delegates so elected and the other to be forthwith delivered to the secretary of the County Committee.

The apportionment of delegates to said State Convention is upon the basis of one delegate for each ninety votes or major fraction thereof, cast for Honorable Reed Smoot for United States Senator, at the general election of 1914, and thereunder Weber County is entitled to sixty delegates. The apportionment of delegates to said Congressional Convention is upon the basis of one delegate for each seventy, or major fraction thereof, votes cast for Honorable Joseph Howell for Congress, at the general election of 1914 and thereunder Weber County is entitled to seventy-four delegates.

The foregoing delegates to said State and Congressional conventions are apportioned among the election districts of Weber County upon substantially the foregoing basis, as follows:

The County Committee adopted a resolution providing for a meeting of all the delegates from Weber County to said State Convention and for a meeting of all the delegates from Weber County to said Congressional Convention to be held at times and places to be fixed by the chairman of the County Committee.

In pursuance thereof all the delegates from Weber County to said State Convention are hereby called to meet at Judge Howell's court room in the Court House, in Ogden City, Utah, on Saturday, August 5, 1916, at 2 o'clock p. m., for the purpose of organization, appointment of members of the several committees and selection of a member of the Republican State Committee from Weber County, and all the delegates from Weber County, to said Congressional Convention, are hereby called to meet at Judge Howell's Court Room, in the Court House, in Ogden City, Utah, on Wednesday, August 9, 1916, at 10 o'clock a. m. for the purpose of organization, appointment of members of the several committees and the selection of a member of the Republican Congressional Committee of the First District.

All qualified voters believing in the principles of the Republican party are respectfully invited to attend and participate in the above primaries. Especially are all those former members of the Republican Party, who in recent campaigns have been separated from the party by reason of internal dissension amongst us, urged to be present to the end that all those who believe in the Republican principles and wish to now renew or continue their allegiance to the party of Lincoln, Grant and McKinley, may do so by attending the above primaries.

By order of the Republican State Committee and the Weber County Republican Central Committee.
